

## Teach you the true meaning of 10 fingers with ring

*Do you know the meaning of finger with ring, now i will teach you the true meaning of 10 fingers with ring.*

**Sept. 26, 2010 - [PRLog](#)** -- The left hand ring finger is said to have a blood vessel directly to the heart, hence they must take the new wedding rings worn on each other's left hand ring finger. Love you to the heart! Willing for your love and ordained!

Ring worn on different fingers has different meanings . Right hand and left hand has a different meaning. The right hand little finger: Do not fall in love. Right hand ring finger: couples in. Right middle finger: unofficially crowned. Right index finger: single people. The left hand little finger: does this. Left ring finger: marriage. The left middle finger: engagement. His left index finger: unmarried. Represent the power of the meaning of thumb, you can also do self-confidence meant. Wearing a ring is connoisseurship. According to Western traditions and customs, the left hand shows the God-given your luck, so the ring is usually worn on the left hand. More popular internationally wear is this: the index finger — want to get married, saying unmarried; middle finger — has been in love; ring — said that it has engaged or married; — that single little finger. As for the right hand, has traditionally also had a finger wearing a ring when it makes sense, that is, ring finger. Dai said here that with the Sisters of nature. There is also a ring, when you wear it, no matter where you wear do not have any meaning, this flower ring is a ring general. This ring is to play a decorative role, can be worn on any finger you want to wear. Ring worn on the thumb is very strange, and therefore not recommended. Ring worn on the index finger, the feeling is more personal ideas. The most formal wear worn on the middle finger than France, if not want to have too formal sense, you can refer to the left or right coupled with a simple ring. Ring on the ring finger is usually a wedding ring, ring finger grows more slender, so no matter what the ring, a delicate and elegant to wear, are all standard. Wear the freshest law, than the ring wearing the head of the little finger.

A small, simple Weijie so that women's hands somehow cute together, the general representative of "I'm just a single, please do not waste time seeking what I" mean. Wear ring design of relatively strong, if you want more a personal style, can be considered another material with the same lines, the relatively simple ring on another finger. If the ring material properties can watch with, it is the best economical. For example, you are wearing a lovely gold flower ring, you can gold box with a leather table. If you do not much may come of the table or rings may wish to consider wearing the ring hands and wear watches the hand stagger, do not let non-conforming two hands occurs only in the same accessories. In the same hand only wear two rings, the color should be consistent, but a ring complex, the other one must be simple. In addition, the best choice of the two adjacent fingers, such as the middle finger and index finger, middle finger and ring finger or the ring finger and little finger, do not the middle separated by a "mountain." A more general argument is: worn on the thumb, said that recovery (with actions on each other's pursuit of), worn on the index finger, said that demand (only in the inner desire for love), Dai said that given the middle finger (is in Love or has engaged), worn on the ring finger, said node (already married), while worn on the little finger on that from the (deciding single or divorced.) In \*\*, do not wear rings, said, "flowers it has no master, you can catch me." Leakage of the heart, the story rings, rings is not just decorations, you liked to wear what kind of rings, liked to wear which fingers will reveal the story of your heart.

For men is -. Wearing a silver ring that mild and easy to accommodate other people. Wearing a gold ring were more concerned about the interests, there will always be a smart business sense. Dai Jade who focus on taste quality, and doing things rigorous.

For the ladies – like pink diamond or pink corals, rich and romantic feelings. Like ruby or red tourmaline persons, Some Like It Hot. Sapphire Sapphire, or those who love the sea. More introvert and indifferent.

Turkey, like emerald or the stone, emotional fragile. Fingers and rings – ring wear on different fingers, and can embody the meaning of psychological and character-related. Fond of wearing those in the index finger, the more extreme stubborn personality. Fond of wearing those in the right middle finger. Advocating moderate outlook on life. Fond of wearing those in the left middle finger, there is a sense of responsibility and focus on family.
