Sept. 28, 2010 - [PRLog](#) -- Every woman in this world loves to wear ring. Silver ring is that piece of jewelry which is like by both men and women's. Now days, men also loves to wear ring. Silver rings are available at kilo lots and it is beneficial for those who has big family and can purchase silver rings in kilo lots.

Most of the retailers, wholesalers and exporters suppliers buy silver jewelry in kilo lots. Each piece of jewelry is available in kilo lots. And it is suitable and has a great or best deal for retailers or wholesale suppliers who purchase silver rings in kilo lots. Demand is increasing day by day because of popularity of silver jewelry, every people wants to buy jewelry in silver and easily affordable.

Retailers, exporters or wholesale suppliers purchase silver rings in kilo lots and then sell at their own price in different cities and countries. They earn a lot of profit in buying in kilo lots. In market, plenty of rings varieties are available with different types of gemstones like turquoise, mixed faceted and many more.

Gemstones:

In market different types of gemstones are available. People give preference to wear silver ring with having a gemstone. Some gemstones are wear as a birthstone like some popular are garnet for January, Onyx for February, Emerald for May, Pearl for June, Ruby for July, Sapphire for September, Opal for October, Topaz for November and Turquoise for December.

By adding gemstone to the ring can raise the value and beauty of silver rings. Most of the people wear rings as their birthstone is placed on the ring. You can wear this silver ring with gemstone at any occasion and can add extra beauty to you.
