

## “Twist, Sip, Relax” And Enjoy The Launch Of Dr. John’s Downtime Relaxation Website

*Introducing Doctors Select relaxation beverage. Check out their new website to learn more about how to relax more and sleep better when you want.*

**Sept. 29, 2010 - [PRLog](#)** -- Tired? Stressed? Looking for a resolve? Dr. John of Doctors Select would like to help and welcomes you to visit his new website to find the solution. Upon entering the site, you will be introduced to Downtime Relaxation, a healthy relaxation dietary supplement drink. Dr. John’s progressive product aids you in promoting and maintaining a healthier, longer life. Doctors Select is now offering the Downtime Relaxation product for sale on their website (<http://www.doctors-select.com>).

What exactly is Downtime Relaxation? According to Doctors-select.com Downtime Relaxation is, “formulated with a proprietary blend of natural ingredients to promote calmness, relaxation and well being in today’s stressful environment. Ideally suited for ‘downtime’ relaxing at the end of the day or a nighttime elixir to promote a calming relaxing sleep.” The relaxation drink is comprised of Vitamin D, Vitamin B and ultra low amounts of sodium, all the while delivering total relaxation with no carbohydrates or sugar, much quicker and healthier than any pill.

All of the Downtime Relaxation product information can be easily located and accessed by current and prospective consumers on the Doctor’s Select website. Site visitors can also take a look over some testimonials from real customers and their personal experiences with Downtime Relaxation. Throughout the site you will also find various health tips from Dr. John. Dr. John’s Blog provides further information about his work and his “personal brew.”

Thirsty for more? Doctors Select can be purchased quickly and easily off of their website. Still have questions? Hop onto the Contact Us page which was created for the customer’s convenience of inquiring even further about Downtime Relaxation, as well as allowing you to give your own feedback once you get the chance to “twist, sip and relax” for yourself.

So come all and “experience calmness and total relaxation.” For more information about Downtime Relaxation, please visit <http://www.doctors-select.com>.
