**Oct. 12, 2010** - [PRLog](#) -- Did you see the new Forex Profit Multiplier training video that reveals Bill Poulos's custom "trade alert" software?

It's causing quite a stir on his website...

-and, he just posted the followup to it, Training Video #2:

Forex Profit Multiplier In Action

In his second video, you'll discover:

- \* A bar-by-bar trade "dissection" that reveals how simple it is to trade these new methods...
- \* How to make it a goal every time you place a trade to erase the risk as soon as possible & enjoy a "FREE-Trade"...
- \* His time-tested risk management strategy inspired by Einstein yet so simple an 8th grader could apply it...
- \* The key trading secret that could cause your profit potential to skyrocket, almost overnight (it's been staring you straight in the face)...
- \* The ability to predict what the trend is likely to be in the next 8 hours for all 6 major Forex pairs, and how you can use this to trade shorter timeframes with ANY trading method – his,yours... ANY method...
- \* ...and a LOT more.

He really digs into the charts in this second video and shows you exactly how you can quickly & easily fit these methods into your busy daily routine.
