

Car Dealer increases website leads by 100% using live chat. Case Study Results Inside

Car Chat 24 recently completed a case study with Reno Toyota on the popular Internet Forum - DealerElite.net. Measuring the results before and after chat the numbers are unreal! Free Trial 30 day trial is available to any dealer who is interested.

Nov. 4, 2010 - [PRLog](#) -- Below, are the Reno Toyota before and after Chat numbers. There was no decrease in the original website lead conversion, and on average over the two months they gained over a 100% increase in lead conversion by adding our service. If you are not using chat to increase lead conversion from your site, you are missing the boat, as your website is your best place to source extra leads.
