The constructing walking jazz bass lines series of jazz method and instructional books outline the fundamental knowledge required to speak the jazz bass language.

Covered in the series is the must know jazz chord changes and the devices used by professional jazz bassists to construct jazz walking bass lines.

The aim of the series is to build knowledge and confidence as a jazz bassist by outlining key specific topics and areas enabling the aspiring jazz bassist to develop their own voice as a jazz musician.

Constructing Walking Jazz Bass Lines Book 1 – The Blues in 12 Keys is a complete guide demonstrating the devices used to construct walking bass lines in the jazz tradition.

Book I in the “ Constructing Walking Jazz Bass Lines “series covering the “ MUST KNOW “ chord changes for the jazz bassist.

The Jazz Blues progression is an essential part of the Jazz Bassist vocabulary and was practiced in all 12 keys along with “ Rhythm Changes “ by the Be Bop players.

### **BASS TABLATURE SERIES**

<http://constructingwalkingjazzbasslines.com/the-blues-in-...>

The Bass Tab editions of the CONSTRUCTING WALKING JAZZ BASS LINES SERIES has been developed for the electric bass player experienced with reading bass tabs.

The CONSTRUCTING WALKING JAZZ BASS LINES SERIES has examples of bass tabs with the bass clef examples directly above the bass tabs.

This enables the electric bassist familiar with reading bass tabs to apply their knowledge to the task of reading music giving them the opportunity to open more doors in musical settings.

The information provided is note for note from the Bass clef series and provides valuable information and examples known and used by professional jazz bassists worldwide.

Constructing Walking Jazz Bass Lines Book 1 The Blues in 12 Keys Bass Tab Edition

Is a complete guide demonstrating the devices used to construct walking bass lines in the jazz tradition. Book I in the “ Constructing Walking Jazz Bass Lines “series covering the “ MUST KNOW “ chord changes for the jazz electric bassist reading tab.

This series of books is designed to suit the electric bassist familiar with reading bass tablature, and provides various topics and musical concepts suitable for the beginning and professional bassist.

It is the aim of the “ CONSTRUCTING WALKING JAZZ BASS LINES “ BASS TAB series of books to make available the same knowledge and wealth of information available to the bassist reading bass tablature, as there would be for the bassist reading bass clef.

The following series of books provides note for note analysis, bass lines and examples as they appear in the standard bass clef volume.
