

Maison Consulting & Solutions Achieves Microsoft Partner Gold ERP Competency

Maison Consulting & Solutions achieves Microsoft Partner Gold Enterprise Resource Planning Competency

Jan. 24, 2011 - [PRLog](#) -- Maison has achieved Gold Competency status in the Microsoft Partner Network. By attaining Gold Level membership, Microsoft has recognized Maison for its commitment to establishing in-depth Microsoft expertise and excellence in delivering solutions.

After achieving the Gold Enterprise Resource Planning competency, Maison can demonstrate greater value to their customers by showcasing best-in-class solutions that have been subject to a rigorous and auditable approval process. Maison Gold Certified status also indicates their commitment to Microsoft. To achieve Gold Certified Partner status, Maison had to meet a tough set of criteria that includes sales volume, customer references, and product knowledge. Maison met and exceeded several partnership requirements.

"By providing the best solutions and services to customers to fulfill their business needs. By collaborating with the teams at Microsoft, Maison maintains a comprehensive understanding of the Microsoft Dynamics platform so we can provide innovative solutions, services, and unparalleled value to Microsoft Dynamics customers. Recent honors include: 2010 Microsoft Dynamics President's Club (3rd consecutive years), Microsoft inner circle Member year 2010, 2010 Microsoft Dynamics Reseller of the year Middle East and Africa," said Sultan Hamdani, CEO of Maison Consulting & Solutions.
