The Law Offices of Michael S. Discioarro, LLC Announced Dismissal of All Criminal Charges in Brooklyn Domestic Violence Case

March 31, 2011 - [PRLog](#) -- The facts of People v. E.C were difficult. The client was accused of holding a woman hostage and sexually abusing her. Today, all of the criminal charges were dropped thanks to a thorough investigation by Brooklyn Domestic Violence Defense Lawyer, Michael S. Discioarro, LLC. "Obviously the client is very happy, these were absolutely baseless charges." Mr. Discioarro said. He went on to say that each year in Brooklyn, thousands of people are falsely accused of domestic violence by former partners who have an agenda and are seeking payback. These allegations can seriously harm a person's reputation and some come with serious jail time. The most effective way to address these charges is a thorough investigation by a Brooklyn Domestic Violence defense attorney. The history between the parties is very relevant and can be introduced at trial and explored to attack false charges.
