

Chicago Limo Service Plants a Tree for Mom

Going Green Limousine is planting a tree for every Mother's Day charter booked with their premiere eco limo service in Chicago.

May 7, 2011 - [PRLog](http://www.goinggreenlimousine.com) -- Chicago, Illinois – <http://www.goinggreenlimousine.com> Going Green Limousine is a mom owned business in Chicago. To honor moms, the Chicago limo company is planting a tree for every charter that gets booked with them for Mother's Day in 2011.

Charters are available in any of the eco limo company's hybrid sedans, hybrid SUVs, flex-fuel SUVs, or stretch limos. The use of hybrids reduces emissions by up to 80% in the limousine service industry. Planting a tree for Mother's Day is just an added eco benefit provided by Going Green Limousine.

Says Rebecca Schmuck, owner of Going Green Limousine, "I'm a mom and that is one of the very reasons I was motivated to begin my eco limo company. Planting trees for Mother's Day seems like a great fit and a lovely gift."

In addition to being an eco car service, Going Green Limousine is family friendly. Taking Mom out for Mother's Day with the children is easy when you use this private car service. Car seat rentals are only \$10 for five point harness systems and only \$5 for low back boosters. Additionally, the car seats are clean, sanitized, and pre-installed for your convenience.

Hybrid sedans and hybrid SUVs are spacious for up to four passengers, and the large SUV flex-fuels comfortably hold up to seven passengers. For families that need or want a stretch limo, Going Green Limousine has a carbon offsetting program in place, so you can still reduce your carbon footprint.

To celebrate Mother's Day, charter rates are being discounted. Hybrid sedans and hybrid SUVs are available at a discounted rate of \$50 an hour plus gratuity. Flex-fuel SUVs are available at a discounted rate of \$70 an hour plus gratuity. All sedans and SUVs can be chartered for a minimum of only two hours.

8 passenger stretch limos are available at a discounted rate of \$80 per hour plus gratuity. For stretch limos, the minimum charter time is only three hours. Charters that go longer than five hours will be discounted even further.

To book your Mother's Day charter, go online to <http://www.goinggreenlimousine.com> or call 773 295 5959. To receive your discounted rate and have a tree planted, just mention promo code MOMTREE. This offer is only good for Sunday, May 8, 2011. For additional information about Going Green Limousine in Chicago, visit http://www.goinggreenlimousine.com/about_us.html.

###
