

Skin Care Facility Expands to Specialize in Treating Acne

Brenda Griffin, Licensed Aesthetician/Acne Expert and Owner of Faces Plus Skin Care and Acne Clinic is a Certified Acne Specialist in Tucson, Arizona

Jan. 19, 2013 - [PRLog](#) -- Brenda Griffin opened Faces Plus Skin Care in 2003 and in 2011 expanded her business to specialize in treating those who suffer from acne. She has been certified through Face Reality Acne Clinic® located in San Leandro, California and follows the teachings of one of the most renowned acne researchers, James Fulton, MD, PhD. Griffin counsels her clients with the mantra: Determination, Dedication and Patience. “If they follow her advice they can expect a 95% success rate within as little as 3 months without the use of prescription drugs”, said Griffin.

The treatment program utilized by Faces Plus Skin Care and Acne Clinic is an in-depth, educational and topical approach to treating acne. Clients are extensively educated about what acne is, things that trigger it and how the correct topical products used in the correct manner will control their acne. Each client’s routine and products are chosen specifically for their skin. “When dealing with acne, it is not a one treatment fits all,” said Griffin.

Denise, an Aesthetician from California received treatment while on vacation in Arizona. As an Aesthetician she knows not to do her own extractions. She had this to say about her experience. “A couple days after my treatment, my stubborn hard almost cyst-like acne was gone.” Brandy has struggled with acne since the age of 12, consulted numerous dermatologists, done extensive research and found her way to Faces Plus. “I am so happy I found Brenda. She was able to explain why my skin is the way it is which none of my research had uncovered. In less than 3 months (I am still shocked at how little time it took), I'm breakout-free for the first time in almost 18 years.” J.C., a client who resides in New York stated “Faces Plus has been nothing but fantastic. This is the first time I've seen this much improvement in my skin in such a short time.”

Brenda Griffin has been treating skin since 2001. Faces Plus is located at 1254 East Paseo Alegre, Tucson, Arizona. For more information contact Brenda Griffin at 520-834-4300, or visit <http://www.facesplus.skincaretherapy.net>
