With a knack for creating hits and bringing rising talents to the airwaves, producer Ricky Blaze has never shied away from taking musical risks.

NEW YORK - Oct. 10, 2013 - [PRLog](#) -- With a knack for creating hits and bringing rising talents to the airwaves, producer Ricky Blaze has never shied away from taking musical risks. He was once quoted as saying *"Nobody wants to take risks anymore. Everybody wants to run with the flavor or spirit of the moment."*

But in Alexus Rose no gamble was taken, the young artist star power is evident not only in personality, but in her vocal abilities. As she pelts her first note, one can see that she is destined for stardom. Her single *"Left Out"* displays her sultry voice laid out on a R&B influenced dancehall melody.

Brooklyn born songstress Alexus Whitlee Bedeau dreams to take her musical passion and through her lyrics and songs share her story with the world. *"If I can successfully speak to people through music then that would make my dream the greatest reality!"* says Alexus.

Born April 7th 1991 and adopting the moniker of Alexus Rose, the sexy boyish trendsetter musical path took roots in 2006. Inspired by the multi-cultural sounds of her city and distinctive strong vocals set to Ricky Blaze's pulsating drum beats and groovy melodic flow has already made Alexus a household name in the city she represents so proudly. *"I would love to pave a way and open more doors for Brooklyn artist!
