

IAPDA Launches Student Loan Solutions

After months of research IAPDA chooses the #1 Student Loan Consolidation Back-End processor and launches Student Loan Solutions, an important new resource for all certified IAPDA members, their Debt Relief company and industry colleagues.

LOS ANGELES - May 19, 2014 - [PRLog](#) -- International Association of Professional Debt Arbitrators (IAPDA), long the provider of the debt relief industry's leading certification training programs with over 3600 graduates is very pleased to announce the launch of their new Student Loan Solutions Portal.

IAPDA's Student Loan Solutions now provides easy access and set up with the Debt Relief Industry's #1 provider of Student Loan Back-End Processing. IAPDA offers this to their total association membership, companies of members and all other debt relief industry colleagues.

IAPDA Student Loan Solutions

Student Loan Consolidation Back-End Processing - IAPDA is pleased to introduce Student Loan Processing LLC (SLP) a leader in the customer service debt processing industry. With over 50 years in combined management experience and over 20 years experience in affiliate models, their promise of being the #1 processor of student loan consolidations shows in all aspects of their business.

From their long standing history in processing to their constant drive towards the future, their commitment to their clients and affiliates is their priority. They ensure the best possible experience for their clients and affiliates by providing fast, accurate and compliant service across the board. This commitment helps ensure a lower cost of acquisition and greater retention per client.

SLP's software is one of the key ingredients to their success.

This software is provided to Student Loan Processing affiliates and has robust features that assist in all aspects of student loan consolidations and rehabilitations. It contains powerful reporting, call tracking and lead management tools that allow each of their affiliates to tap into their profits. This CRM is constantly being updated to adjust with student loan climate in order to bring the most advanced and easy to use features to our affiliates.
