

Eye & Vision, a Leading Eye Doctor Group in Richardson, Texas Expands Scope of Specialized Eye Care

Eye & Vision, a leading optometry / ophthalmology group of eye doctors in Richardson, Texas announces expansion of their specialty eye and vision testing for Sjogrens and Dry Eye by incorporating new comprehensive testing technologies.

RICHARDSON, Texas - Sept. 13, 2014 - [PRLog](#) -- Eye & Vision (<http://www.eyeandvision.net/>) a specialized group of eye doctors in Richardson Texas is introducing new specialized testing for dry eye disease and continue expanding their specialized ocular and vision services.

By incorporating two new dry eye testing technologies and with years of experience in eye and vision problems, patients with dry eye disease can now take advantage of the implementation of this specialized vision testing. The addition of Sjo test for the detection of specific biomarkers for Sjogrens Syndrome and the Inflammadry RPS testing for inflammatory eye disease expand the existing Center of Excellence for dry eye and specialty clinic services for dry eye and tear disorders and is a compliment to the specialized contacts lenses services for corneal diseases and keratoconus.

Doctor Agustin L. Gonzalez (<http://www.richardsoneyedoctor.com/>), clinic director of Eye & Vision had this to say about their services: "The addition of this specialized testing allows us to better serve our patients and is a great compliment to the dry eye, retinal and corneal specialty services we have offered for many years. The expansion and development of this specialty clinic is a testament to our commitment and ongoing effort to be the most comprehensive and trusted center for clinical excellence dedicated to vision and eye testing in North Texas."

Doctor Clarissa De Paz, clinic president added: "Eye & Vision is a family-owned business with over 20 years of experience in providing optical, vision and medical eye care for the patients in the north Texas suburbs of Richardson, Garland, Plano, Allen and Murphy. We aim to be in the forefront of technology and helping even more patients as our specialty services are expanded. The doctors at Eye and Vision have many loyal patients because we simply strive to provide the highest quality eye care services in an educational, caring and respectful environment. This helps us in providing excellent outcomes, our patients trust us and rely on our expertise from simple to the most complicated eye problems."

Eye & Vision is accepting new and scheduling established patients for comprehensive optical, vision and medical services and those patients seeking routine eye care for eyeglasses of contact lenses. Interested patients are encouraged to call or schedule their appointments at the Eye & Vision website.

Eye & Vision has provided comprehensive clinical and optical service at their Renner Medical Business Park location for the past 10 years. Patient appointments are available year-round and the clinic accepts Medicare and Medicaid, most national medical insurances including Blue Cross Blue Shield, United Healthcare, Cigna and Aetna as well as regional insurances including Texas Star, Amerigroup, Parkland HMO and Molina Health. The clinic also accepts vision plans such as EyeMed and VSP.

Flexible scheduling of examinations and late evening appointments are available for specialty services and vision exams. This provides maximum convenience for patients and especially those who require regular visits for chronic conditions such as glaucoma, dry eye and corneal disorders.
