**SEATTLE - Jan. 9, 2015 - [PRLog](#)** -- SEATTLE, Wash. – January 9, 2015 – WeddingWire, the nation's leading online wedding marketplace, named Something Minted Photography as a winner of the prestigious WeddingWire Couples' Choice Awards® 2015 for Photographers in Seattle!

The WeddingWire Couples' Choice Awards® 2015 recognizes the top five percent of wedding professionals in the WeddingWire Network who demonstrate excellence in quality, service, responsiveness and professionalism. The esteemed awards are given to the top local wedding vendors in more than 20 service categories, from wedding venues to wedding photographers, based on their professional achievements from the previous year.

While many industry award winners are selected by the host organization, the WeddingWire Couples' Choice Awards® winners are determined solely based on reviews from real newlyweds and their experiences working with Something Minted Photography. Award-winning vendors are distinguished for the quality, quantity, consistency and timeliness of the reviews they have received from their past clients.

"It's always exciting to start the year by honoring the top-rated wedding professionals within the WeddingWire Network who represent more than two million reviews on our website," said Timothy Chi, CEO, WeddingWire. "Each of the businesses recognized are committed to quality, professionalism and all around top-notch service. We applaud Something Minted Photography for their impressive achievements within the wedding industry."
