

Announcing The Mucking Foms Podcast

FOR RELEASE: March 19, 2014 AVAILABLE: Now! Media Contact: info@muckingfomspodcast.com

LONG BEACH, Calif. - March 19, 2015 - [PRLog](#) -- Orange County, California / Long Beach, California: We are pleased to announce The Mucking Foms Podcast (<http://muckingfomspodcast.com/>). This show was created by two moms and former career junkies, Amy and Sharon. This is our platform to discuss balancing the demands of everyday life, motherhood, being wives, and how this affects a woman's identity. Topics are wide and ranging and nothing is off the table.

Why was the Mucking Foms Podcast created?

Sharon received a text from her best friend and sister-in-law:

Amy: I want to do a podcast with you about being a mom. Not the "I'm so perfect mom." More of a funny, my kid is a shithead sometimes, this is real life, not fake mom kind of thing...."

Sharon: Hey that is an awesome idea. How do we start?

And so our adventure began! We hope to connect with women and empower each other, as well as learn from our unique and shared experiences.
