The Enclave at Cove Mountain, Gatlinburg, TN is one of the most exclusive private gated properties in East Tennessee. Spectacular views of the Great Smoky Mountains National Park. Only 49 home sites available to build a primary or second home haven.

June 29, 2007 - [PRLog](#) -- East Tennessee Luxury Properties is pleased to offer home sites at The Enclave from \$595,000.00. These 300 acres with only 49 home sites are for the very fortunate who want to be away from it all yet only minutes to fine dining, shopping, entertainment and medical facilities at a location just outside the Great Smoky Mountains National Park in Gatlinburg Tennessee. Tyson McGhee International Airport in Knoxville is less than an hour away, or you can fly in to the private airport located in Sevierville just 20 minutes away.

The luxury homes currently being built in The Enclave bring a new level of sophistication to the area. Some boast over 6000 sq ft with features such as gourmet kitchens, wine cellars, media rooms and outdoor living areas which are all crafted with top of the line materials. These well appointed homes are redefining mountain living for a true blend of escape and comfort. Home sites for custom homes are available as are several spec homes to meet the needs of any desire. Lots range in size from just over an acre to an incredible mountain top home site at nine and a half acres.

Never before has such beautiful property been offered. Perched high atop Cove Mountain, The Enclave offers the most spectacular panoramic views of the Great Smoky Mountains National Park. This private double-gated community is one of a kind. The natural beauty will inspire you. Nearby hiking, biking, kayaking, and fly fishing will invigorate you.

East Tennessee Luxury Properties offers clients access to their network of service providers, from lenders who can offer special financing packages, to the areas top architects and builders, to interior designers and more. Since many buyers in the area are coming from out of state, it is imperative to provide this level of detail to clients. "The relationship with our clients does not end when they purchase their property or home. We want to make sure they have their needs met from beginning to end. If there is anything we can facilitate to ensure a good purchase or vendor selection process, we are right there," says Mitchell.

A special Showcase Open will be held in August for agents and qualified buyers. For more information contact Donna McCullough-Mitchell at East Tennessee Luxury Properties at dmtchell@easttnluxuryproperties.com. For information on these home sites, visit www.enclaveluxuryhomesites.com
