Karate / Martial Arts Lessons for ages 3 and 4 in Windsor Ontario starting in September at Art Mason's Peaceful Warriors' Martial Arts Institute

July 26, 2007 - [PRLog](#) -- Dear Parents, My name is Art Mason. I am the Founder and Head Master Instructor of The Peaceful Warriors' Martial Arts Institute. Let me guess, you have been out surfing the internet for activities for you 3 or 4 year old child. You have heard that a martial arts education is "The Best Thing You can do for you Child"? Right? But you can't imagine how on earth a 3 or 4 year old can learn something as complex as a martial art.

Well I am here to tell you that they can!

At the Peaceful Warriors' Martial Arts Institute we have a special program what we call "Little Warriors". It is designed and tested with children ages 3 and 4, just like yours! Using a combination of martial arts drills and skills, integrated into FUN activities and games we accomplish the seemingly IMPOSSIBLE!

"It is amazing to me to think that Jack has only had eight classes with your instructors. As the youngest child in the class (he just turned 4) I was really concerned about how he would do. He has never been to school, never lined up, raised his hand, or done any of the things that we as adults take for granted. Jack has astounded me – and every class he learns something! He is already able to recite his student creed, almost all his 5 tenants, and perform many of the skills required in class. " Lori MacDonald -Windsor.

Would you like to Unleash your Child's Potential? Get them into something that will help make the transition to school easier? Keep reading and I will tell you just how to go about doing this!

Little Warriors' is a special class held 2 times per week, which runs 30 minutes each. It is specially designed for ages 3 and 4. These classes are fun, exciting and fast paced. These classes are going to start in September after Labour Day and are expected to fill up fast!

Call today to book an appointment to meet with one of our instructors to discuss this great new program. At the time of your appointment we will provide schedule information.
