

Standard Catalog of World Coins Available on DVD

For the first time in Krause Publications history, the cornerstone Standard Catalog of World Coins catalogs are now available in a more portable DVD format, allowing users to take the catalogs wherever coin collecting takes them.

Sept. 26, 2007 - [PRLog](#) -- Standard Catalog of World Coins Available on DVD

For the first time in Krause Publications history, the cornerstone Standard Catalog of World Coins catalogs are now available in a more portable DVD format, allowing users to take the catalogs wherever coin collecting takes them.

This three-DVD set includes three volumes of the respected series: 1801-1900, 1901-2000 and 2001-Present.

Features of this electronic edition include:

- Images that can be clearly enlarged up to 300% without distortion
- Printable pages, allowing users to print only what they need to use when away from a computer
- Using the country-by-page index, users are able to navigate directly to the country they are seeking to reference

About Krause Publications

Krause Publications, based in Iola, Wis., is the world's largest publisher of leisure-time periodicals and books on collectibles, sewing and quilting, hunting, and fishing. Chet Krause, a long-time collector of coins, published the first issue of Numismatic News on Oct. 13, 1952, with nearly 1,000 readers. Today, Krause Publications, owned by F+W Publications, offers over 40 periodicals, 10 hobby shows, 750 reference and how-to books, and web properties such as NumisMaster.com, the online coin price database. F+W Publications, an ABRY Partners, LLC company, also operates book clubs, conferences, trade shows, interactive media and education programs.
