

## Unique Valentines Day Gift Ideas

*One call is all it takes to add something special to Valentine's Day. You can rely on Margo Saunder's savvy gift-giving skills for all holidays, and especially for Valentine's Day, when showing your love is so important.*

**Feb. 1, 2008** - [PRLog](#) -- Margo Saunders of <http://www.EdibleGiftsPlus.com> knows gifts! She will help reduce the stress of selecting and sending gifts, while making them memorable, meaningful and exciting. One call is all it takes to add something special to **Valentine's Day**. You can rely on Margo's savvy gift-giving skills for all holidays, and especially for Valentine's Day, when showing your love is so important.

Some of Margo's suggestions are putting photos on gifts. Some of the best customer comments come from adding photos to cookies, fortune cookies, Rice Krispy Treats, Graham crackers, etc., which makes gift baskets ultra special. Edible Gifts Plus has an infinite array of customizable treats and gift basket ingredients to suit any taste.

**Here's a novel idea from Margo...** instead of buying an ordinary card, put your special message – showing your love, asking your partner to marry you (!) or other intimate sentiments – **on a Giant Fortune Cookie!** – She can customize it with photos, artwork, messages, etc. for the most unique way to say “I love you!” Yes, believe it or not, Margo has created more Wedding Proposals on baked goods than you can imagine!

Other mouth-watering treats are amazing brownies, chocolate-covered pretzels and Biscotti, and the most mouth-watering candy-coated popcorn. Imagine your loved one receiving a combination of these goodies surrounding a special gift, beautifully arranged in a basket?

Want to say “**I love you**” in a big way? Try our giant cookies, customized with your messages, photos and accompanied by treats of all kinds.

This year, make Valentine's Day special with unique gourmet treats from <http://www.EdiblegiftsPlus.com> Place your orders early to guarantee on-time delivery.
