With a wide variety of furniture selections, customers can choose from the Milano, Santorini, Laguna, Newport, Santa Barbara, Somerset, and Montgomery collections. Other choices include the Ariana, Cape May, San Clemente, Victoria, Paragon, Gensun, Athena, and Telescope collections. Whether you are looking for a touch of Italy, Southern California, or the Cape, you can find what you want in one of these stylish collections of patio and lawn furniture.

For years, outdoor entertainers have sacrificed style for comfort and durability when it came to patio furniture. Each collection includes furniture pieces created with strong, cast aluminum frames. These frames are resistant to almost any type of weather. Unlike other types of patio furniture material, aluminum frames do not rust.
