

## **Dudley Beauty College - Charlotte Campus: SpaBeautySchools.com Featured School of the Week August 25**

*SpaBeautySchools.com Provides Featured School Program to Interested Students, Educational Institutions, and other Visitors*

**Aug. 28, 2008** - [PRLog](#) -- Conveniently situated in Charlotte, NC, the **Dudley Beauty College** prides itself in developing candidates (in the spa-beauty industry) for this 21st Century. Providing comprehensive career-training programs in cosmetology, esthetics, nail technology, and instructor training, Dudley Beauty College also offers a practicing clinic for its advanced-level students.

Cosmetology training can be completed in just 10 months in the full-time program at Dudley Beauty College. (Part-time cosmetology programs can be completed in 15 months.) Typical education in a North Carolina cosmetology training program includes practical studies in scalp/hair treatments, hair design, full-head finger wave styling, artificial hair treatments, haircuts, chemical/permanent waving treatments, hair coloring and lightening, manicuring/pedicuring, artificial nails, facials/makeup, skin care, and hair removal, in addition to other field-related coursework.

Other vocational training offered at the Dudley Beauty College includes its 16-week, full-time esthetics program; a two-month, full-time nail technology program; and in-depth instructor training courses in cosmetology, esthetics, and nail technology.

Today, there are a number of beauty and cosmetology schools from which to choose. Among those, Dudley Beauty College (<http://www.spabeautyschools.com/clickcount.php?id=1174081...>) (Charlotte campus) may provide you with essential skills and training to promote and support your potential in the fascinating fields of cosmetology and other beauty industry occupations.

Why choose a spa-beauty career? In 2006, personal appearance workers like cosmetologists held close to one million jobs in these United States. And this occupational trend is growing -- as the demand for personal appearance care continues to increase, employment outlook is expected to be faster than average than other occupations, with an anticipated rise in spa-beauty careers (more here: <http://beauty.spabeautyschools.com/content/article/the-se...>) by 14 percent through the year 2016.

In addition to promising job prospects, the spa-beauty industry offers a variety of working environments. Besides beauty salons and barber shops, cosmetologists, estheticians, and nail technicians work as successful entrepreneurs in day spas, at wellness resorts, for theatrical events, on movie/television sets, and in other unique working atmospheres.
