

LR Cosmetics & Services, Upcoming Book; “Makeup Artists” The Who's - Who partnering with SU2C

LR, (Linda Randall), a Makeup, Beauty and Etiquette Expert, has found that there is a missing link between the Makeup Artist, the Consumer, and Businesses that are involved in the Beauty Industry, hence The Book, “Makeup Artists” was created.

Aug. 31, 2008 - [PRLog](#) -- LR, (Linda Randall) is announcing that she will partner with “Stand Up To Cancer”, a new initiative founded to raise philanthropic dollars for accelerating ground-breaking cancer research. Stand Up To Cancer (SU2C) is a charitable services fund of the Entertainment Industry Foundation, a 501 (C) (3) charitable organization. Our goal is to share information and inspiration with millions of people and to encourage contributions to fund a cure. More than a campaign, this initiative is a movement we hope will ultimately help end cancer forever. LR is donating 10% of the proceeds from the book to “Stand up to Cancer” as she has just recently lost her father to a rare cancer after a long battle. Be a part of this cause, and be a part of the book and this will be the beginning to the end of cancer.

The Beauty Industry is a multi-billion dollar industry and encompasses thousands of women and men of all ages the professional Makeup Artist, Surgeons, Estheticians, Cosmetologists, Spas, Salons, to name a few.
