

Linden Leaves Skincare Featured on the Tyra Banks Show

Natural, socially conscious skincare company is featured on one of this seasons hottest television talk shows, "The Tyra Banks Show"

Sept. 30, 2008 - [PRLog](#) -- Boca Raton, FL - Linden Leaves Natural Skincare (www.LindenLeavesUSA.com), a pure New Zealand skincare company, is proud to announce its inclusion into The Tyra Banks Show. The Daytime Emmy Award Winning Show selected one of Linden Leaves most popular products, the JetSet Deluxe, as a featured promotion on the shows website (www.tyrashow.com).

The complete Linden Leaves Jetset Deluxe skincare package is intended for a stress-free luxury break. The JetSet Deluxe contains travel-sized versions of nine Linden Leaves skincare top sellers. These travel essentials are packaged in airline cabin baggage approval sizes, and the set also includes a regulation sized clear zip bag to breeze through security.

Living Healthy, LLC, the United States distributor of Linden Leaves Natural Skincare, was selected because of its natural approach to skincare. "We're thrilled to be featured on the show", explains Edward C. Meyers, owner of Living Healthy, LLC, "the JetSet Deluxe package is a perfect choice for the viewers of the show and offers a nice sampling of our products."

Linden Leaves Pure New Zealand Bodycare, which is distributed across the United States and around the world, has recently increased their efforts towards the skincare line's socially conscious stance of being an environmentally friendly skincare company. Already this year, the company has introduced a new eco-friendly measure for packaging and shipping their entire product line and they have also removed the use of polystyrene chips from all domestic and international export orders.

If you are interested in finding out more information about the Linden Leaves skincare line please visit us online at www.lindenleavesusa.com. You can also enter our monthly Free Product Giveaway drawing at our online store.

About Linden Leaves

Linden Leaves Natural Skincare is inspired by New Zealand's lush and vibrant environment of natural volcanic activity, craggy alps and verdant rainforest; surrounded by more than fifteen thousand kilometers of pristine ocean coastline. Drawn from the natural resources of pure volcanic water, pristine sea salts, and a natural affiliation for water, Linden Leaves combines the very best of local New Zealand and international ingredients to create a pure New Zealand bodycare. Linden Leaves products are made in New Zealand to international standards of the highest quality.
