One of the biggest milestones in a person's life is the 50th birthday. That's why it merits an impressive celebration. Depending on the birthday person, however, you might choose to do an "Over the Hill" theme or a similar casual theme or perhaps something more formal for your personalized <http://www.cardsshoppe.com/party-invitations/> Party Invitations. The printable <http://www.cardsshoppe.com/party-invitations/50th-birthday-invitations.htm> 50th Birthday Invitations sent out for the occasion will let guests know which to expect.

50th Birthday Party Invites & Casual Themes

Because celebrating this important birthday can sometimes be a stark reminder of old age and our own mortality, many people prefer to keep the celebration light-hearted and fun. That's where the popular Over the Hill theme stems from. Most party stores have a great supply of these darkly funny party supplies that are always in black and white and sometimes designed in the shape of gravestones. Although they don't have to be used with one specific birthday, the 50th birthday is a good choice. You might also be able to find matching or similar 50th birthday card for the party.

Of course, you can also choose other casual and fun themes. A tropical theme, for example, could be a good choice. In the summer, you can send <http://www.cardsshoppe.com/party-invitations/luau-party-i...> Luau Party Invitations Cards and celebrate around a pool with frozen mixed drinks and refreshments provided courtesy of a backyard grill. Decorations can include Chinese lanterns, plastic palm trees, and lots of bright colors. In winter, you could keep the same theme indoors with many of the same decorations. However, you might want pictures of beaches and palm trees on the walls to distract guests from the falling snow or chilly temperatures outdoors. For the free 50th birthday invitations, choose anything that matches your theme. You'll find plenty of tropical-themed birthday cards to choose from.

Another great theme is your guest of honor's childhood. Bring in some items that will remind guests of the 1960's that is when the guest of honor was growing up. Rent a jukebox or hire a DJ to play the top hits of that decade. Decorate the location with peace signs, headlines from the era, images of famous people from the period and any other symbols you can think of. You could even ask guests to come dressed up for the 1960's. Make sure you choose <http://www.cardsshoppe.com/party-invitations/50th-birthda...> 50th Birthday Invites that will reflect the theme and that provide clear instructions for guests.

Formal 50th Birthday Party Invitation

If your guest of honor would prefer something a little more serious, plan a dinner party. Send printed <http://www.cardsshoppe.com/party-invitations/dinner-party...> Dinner Party Invitations Cards to an intimate group of family members, friends and business associates. Arrange for a meal either at a private home or at a high-end restaurant. Decorations will not be necessary but be sure to have a bottle of champagne ready for a toast to the birthday person.

The dinner party won't be for everyone but neither will the more casual parties. Always think of what your

guest of honor would prefer before making plans and sending out affordable
