

Asking Christians To Answer This

The Difficulty of Christians. Asking for their reply.

Jan. 7, 2009 - [PRLog](#) -- For other people, the difficulty of Christians is that a Christian couldn't believe that all the Prophets were "Guide by Allahu Ta'ala from doing error" and they all had good akhlaq.

Muslim believed that Jibril 'Alaihi Salaam was cleansing Muhammad Shalallahu 'Alaihi wa Sallam's heart from the part of Syaithan, and fill his heart with Iman and Hikmah, so his heart only to Allahu Ta'ala. And Jibril 'Alaihi Salaam also did this surgery again to him, before he was having the trip of Isra' Mi'raj.

And so when people aren't used to obey the Taurat because it was being sent down to the chosen man, Muusa 'Alaihi Salaam, they also would not accept Iisa 'Alaihi Salaam as the chosen man, instead they made God out of him and son of God, na'uudzu billah.

Why Allahu Tabaraka Ta'ala was making a miracle of a fatherless Prophet?

It is known that the Jews liked to lower the woman against their original Din (religion of Muusa and other Prophets).

This miracle offcourse made them furious and got more arrogant or instead made others forget their arrogance of being the Ibrahim's descendants.

And made them accept the true teaching of Muusa 'Alaihi Salaam in Taurat.

So it's not the action of people who said "the Jews don't have any Iman" or saying "the Nashrani don't have any Iman," what's right is "The followers of Taurat have Iman and the followers of Injil have Iman."

When these people met Rasulullah, they knew that what had been promise by Allahu Ta'ala came true at that time, of the coming of Almasih and the coming of the last prophet after Iisa time.

You'll see in the beginning of John, there was someone asking to Almasih Iisa Ibn Maryam 'Alaihi Salaam "Are you John?" then he replied "no," Are you Elia? then he replied "no," ARE YOU THE LAST PROPHET?, then he replied "NO."

QUESTION, Reply the Capitalised words. Who is the SPIRIT of TRUTH? For me if you really believe this, then your family must follow MUHAMMAD Shalallahu 'Alaihi wa Sallam, because he was receiving the words of Allahu Ta'ala through the SPIRIT OF TRUTH (Ruhul Amin), nonetheless Jibril 'Alaihi Salaam is Ruhul Amin and Ruhul Qudus.

The big problem to Muslim who already read the Bible, they realised that the Church fathers were someone like Constantine, Eusebius, Arius. Then you go on having the Athanasius creed and some meeting before that and after that.

Christians never ask about Gospel of Nazorean, separate from Gospel of the Ebionites and Gospel of the Holy Twelve.

The Christian Bible only include the story of Jesus when he was 30 Years old. That's weird, because in there you won't find about "how he look like."

A Muslim will find about the characteristics of Almasih Jesus Ibn Maryam and how he look like in Al Hadits. Also of Muusa 'Alaihi Salam.

When you think that TRINITY is from reality of God. Then I say that it was fruit of Philosophy thinking. After Nuh 'alaihi Salaam's time, the people were worshipping Wadd, Suwa', Yaghuts, Yauq and Nashr. These people were the Pious people in their time who had died, so the simplest thinking of UMMAH at that time was that they were worshipping them so that those Pious will pray to Allahu Ta'ala, or so that they will be near to Allah as they ask help to them. Or they will ask Allah's mercy by using the position of those Pious men, they thought.

As time goes by, the worship getting worse, that was worshipping the LEADERS of their nation, as they thought that God will strengthen their nation by doing so. This was in the time of Pharaoh or Fir'aun which began before Muusa 'alaihi Salaam and after Yusuf 'alaihi Salaam, in Egypt.

Then there was the worship of SACRIFICING virgins, as these came from the thinking that ADULTERY is a sin, and a virgin must be sacrifice to God, so that He won't be jealous again of people who had many concubines, because He already got His. They thought God liked virgins.

Then came the Greek who liked to worship God and family of God.

The conclusion is that every Kafir people liked to affirm "God has families,"

so many of them,

for example: Osiris(father), Isis (mother), Horus(son). Horus even got twin brother: Seth (Syaithan).

Father of Krishna, Mother of Krishna and Krishna

God the Father, Mary, Jesus

God the Father, Holy Ghost, Jesus

Zeus (father), Hera (mother), Apollo (son)

etc

What is "Laa ilaha illallah."?

In Arabic the way to write Laa ilaha illallah is " ?? ??? ??? ??? "

See the ? (alif) in the word Allah there? The Alif could be erase, but why was it written in there? Because it is Alif lam makrifat, means that what Muslim meant by the word "Allah" is definite, not indefinite and not abstract (Nakirah).

That means Allahu Ta'ala is only the Creator, the Cherisher, the Sustainer, and the One God who owns the Asma'ul Husna which He made known through His Kitab, and through His messengers, and which He keep inside His knowledge which is Ghaib (not known but by Him).

If the writing is like this " ?? ??? ??? ??? " the alif before the lafazh Allah is erase, then it is becoming Allah the abstract, which won't be Al Ilah, the word Allah was derived from Al Ilah " ?? ??? " not "???" the rule in Arabic is that when the word written the form of Nakirah means abstract, while when written in the form of Makrifat (with Al : ??) means that it is a DEFINITE noun (Isim).

So forever, Islam will never worship duality of Allah as one or Oneness of Allah in duality, or Trinity of Allah in 1 or oneness of Allah in Trinity.

Only Allah the Al Ilah, Ilah means 1 God, if 2 God: Ilahaini.

Talking Baby In A Cradle Became A Prophet

To Muslim, Jesus already became Prophet since he was a very little boy and Allahu Ta'ala made him talk to people when he was a baby to who thought that he was a baby born of adultery.

This is inviting Iman from Christian:

QS19:29 Then she pointed to him. They said How can we talk to one who is in the CRADLE, a young boy?
30 He spake: Lo! I am the slave of Allah. He hath given me the Scripture and hath appointed me a Prophet,
31 And hath made me blessed wheresoever I may be, and hath enjoined upon me prayer and almsgiving so long as I remain alive,
32 And (hath made me) dutiful toward her who bore me, and hath not made me arrogant, unblest.
33 Peace on me the day I was born, and the day I die, and the day I shall be raised alive!
34 Such was Jesus, son of Mary: (this is) a statement of the truth concerning which they doubt.
35 It befitteth not (the Majesty of) Allah that He should take unto Himself a son. Glory be to Him! When He decreeth a thing, He saith unto it only: Be! and it is.
36 And lo! Allah is my Lord and your Lord. So serve Him. That is the right path.
37 The sects among them differ: but woe unto the disbelievers from the meeting of an awful Day.
38 See and hear them on the Day they come unto Us! Yet the evil-doers are today in error manifest.
39 And warn them of the Day of anguish when the case hath been decided. Now they are in a state of carelessness, and they believe not.
40 Lo! We inherit the earth and all who are thereon, and unto Us they are returned.

And for information, the Christians knew that most of the Gospel of Nazorean's fragments were lost, and that it was not Gospel of The Holy 12 or Gospel of The Ebionites, it's 3 separated Gospels. Furthermore, the contents of those 3 were longer than your Matthew, Mark, Luke and John, I believed that many Christian are only a blind follower of their Priests at the all time.

When their Priests chose Rahbaniyyah (Priesthood/unmarried), they are silenced, and even when the Priest made lists of sins that could be paid as well as the prices, they obey this without questioning.

And when we direct them to Gospel of Nazoreans, they only said "Your Al Qur'an deals with the same problem, as abrogation and stuff."

###

QS.Al Baqarah (2):106 None of Our revelations do We abrogate or cause to be forgotten but We substitute something BETTER or SIMILAR; knowest thou not that Allah hath power over all things?

For instance the verses about "Rajam (stoning to death)" when someone saw this verse of Kalamullah:

QS.59:7 ...So take what the Apostle assigns to you and deny yourselves that which he withholds from you. And fear Allah; for Allah is strict in Punishment.

Rajam was Sunnah of Rasulullah and even the Sunnah of Khulafa 'Uraiyidin (Abu Bakar, 'Umar, Utsmaan and 'Ali radhiyallahu 'anhum ajma'in).

This even proven that Rasulullah never hide any revelation sent down he accepted from Allahu Jalla Jalaaluhu.

Assalam manit taba'al huda (May peace be upon who follow the guidance).
