

## Mark Kelley's Country Music Revolution In Clovis, NM

*An extraordinary outing for Mark Kelley's second CD, 'Til I Get Home. 3 live acts to perform at Kripple Creek Restaurant. Gary Gorence, the Blues Farm Records rock-n-roll guru from Santa Fe, New Mexico will perform, as will Mark Kelley and others.*

**Jan. 13, 2009** - [PRLog](#) -- Blues Farm Records Country Recording Artist Mark Kelley to perform live at CD Release Party in Clovis, Saturday, January 17th from 6-10pm. Kripple Creek Restaurant is sponsoring the event, along with Budweiser and KCLV 99.1. KCLV will be broadcasting live at the event.

Mark Kelley released his sophomore CD, 'Til I Get Home in December, 2008, but it is really a child of the new year. Mark will be playing most of the new album, and some even newer material to wrap up the show. He's also got all the songs from the self-titled first album to choose from.

And since it's Kripple Creek, you know he'll do County Road 1-8. All the regulars, and anyone lively enough to join in, gets to let out some "hoots and hollers".

Mark's official website is [markkelley.webs.com](http://markkelley.webs.com). There's a video of Mark doing County Road 1-8 at Kripple Creek from last month to check out as well. Mark Kelley has slowly been building a following among Clovis, New Mexico residents. He plays his unique brand of country music regularly on Friday nights at Kripple Creek Restaurant, where locals have begun appreciating live music again. Clovis is one step closer to claiming it's heritage in the music business with another one of their own.

Gary Gorence will also play a two hour set at the party. Gary is another Blues Farm Records artist. He lives and plays mostly in the Santa Fe, New Mexico area. Unlike Mark Kelley, Gary Gorence plays classic rock-n-roll with a blues influence. Gary will be available for CD signing as well as Mark. Gary's first CD Desert Trippin' can be picked up at Gary Gorence's official website: [garygorence.webs.com](http://garygorence.webs.com).

The show will open with local talent, Keeson Bell.

Kripple Creek's entire menu will be available. KCLV, Blues Farm Records, and Budweiser will be on hand all night. You can find all these artists and more on the official Blues Farm Records website: [bluesfarm.webs.com](http://bluesfarm.webs.com).
