Florida condos Coquina Condominiums for sale

Quiet beachfront Condo only minutes from Florida's oldest city. Coquina condos Crescent Beach's best kept secret. A rare opportunity to own a condo on one of the most beautiful beaches in Florida.

Feb. 23, 2009 - *PRLog* -- Many of the condos for sale in Florida are huge condos in big cities. Coquina condo, however, is a Florida condominium that's a quiet beachfront complex with only three stories. It is only 15 minutes from the oldest city in Florida, St. Augustine. Coquina condos are Crescent Beach's best kept secret. There is not a lot of turnover in ownership at Coquina Condo. This is the first time in ten years we have listed a condo there. And it's about as good as it gets, remodeled from the studs out with top quality materials. Just take a look at the pictures.

Not only is the inside top notch, but the ocean view is outstanding. If you have never been to Crescent Beach Florida you have missed one of the most beautiful beaches in Florida. Check out the pictures in the link below.
