vsiscomputing.com, a UK-based company announced today it will offer affordable and reliable reseller hosting to businesses and individuals worldwide from only £8.00 per month.

March 24, 2009 - [PRLog](#) -- This unique opportunity is provided to all our new and existing customers. For more details about this product, please visit our website product page at <http://www.vsiscomputing.com> or http://www.vsiscomputing.com/hosting_reseller.php

"With vsiscomputing.com, you can start building your hosting business from as low as £8.00/month. With this scheme you can host unlimited domains with unlimited space and bandwidth, nothing more nothing less. Our Reseller Hosting Package is the best reseller package that offers flexibility and more features," said Danny Schallenbergh, General Manager of Vsis Computing Ltd.

"Our control panel allows you to create your clients and assign each of your clients a separate control panel access. We use CPanel 11 for all our accounts and you can add your own company logo on the control panel as well. With this mechanism, your clients will never ever know that you are a reseller,"
