May 1, 2009 - [PRLog](#) -- Mammoth Dog Beds from MammothDogBeds.com are rated as a top dog bed by veterinarians, breeders and dog owners across the nation. Mammoth Dog Beds from MammothDogBeds.com uses foam that can withstand the weight of a 250 lb. human. Focusing on large and extra large dogs. Our dog beds are ideal for the largest breeds like Irish Setters, Swiss Mountain Dogs, Afghan Hounds, Huskies, Old English Sheepdogs, German Shepherds and Malamutes. Crafting a domain perfect for any canine. A Mammoth Dog Bed provides a secure, warm, comforting place for your dog or puppy no matter of size and weight. Its time to ditch that old dirty blanket or dog pad and invest in a five-star, fashionable designer Mammoth Dog Bed that won't break the bank, and will fit in with any home decor style.

Dogs are territorial by nature and they love having beds of their own. Dog beds are a place of comfort and security where your dog can feel that he is in charge. Even if your dog sleeps at night in a crate or in your bed, he or she needs a comfortable dog bed in the room where you spend most of your waking hours.

Mammoth Dog Beds has been researching dog sleeping patterns and designing dog beds for over ten years. You can get a round or oblong dog bed, a donut dog bed or a dog bed couch. The circular and donut dog beds by Mammoth Dog Beds are great for dogs who like to curl up and sleep. The donut dog bed by Mammoth Dog Beds has a bolster around the inner pillow to give back support. The oblong dog bed by Mammoth Dog Beds is perfect for a dog who likes to sleep stretched out. The dog couch by Mammoth Dog Beds combines the comfort of the oblong dog bed with side and back bolsters. Mammoth Dog Beds also makes mats for a great variety of crate sizes.

All of the Mammoth Dog Beds provide orthopedic support to your dog's spine, hips and the rest of his skeletal system, which is particularly important for bigger dogs. There are several pillow options by Mammoth Dog Beds. The fiber-fill pillow is made of 100 percent virgin materials that are high-memory and bounces back into shape even with the biggest dogs. The polypropylene liners allow the pillow to fully decontaminate during the wash cycle. The greatest orthopedic support is given by the high-density and high-memory foam pillows. The foam can withstand a weight of 250 lbs.

The Mammoth Dog Beds have velcro openings so that covers can be easily taken off and thrown in the washer. There is an incredible variety of fabrics on the Mammoth Dog Bed pillows. The denim and canvas fabrics come in 30 colors. There are 8 colors of lamb-skin fleece. The leatherette covers come in 6 colors. The beds are treated to be stain resistant, anti-bacterial, and have anti-odor properties.
