Horsham, PA –Toll Brothers, the nation’s leading builder of luxury homes, is rolling out a sales event that gives buyers unparalleled value and a home complete with the outdoor features buyers would typically add after they move in to a new construction home.

The Toll Brothers Outdoor Living Sales Event takes place from Sunday, May 31 through Sunday, June 7, 2009. As an incentive, home buyers that deposit on a home during the event will receive select outdoor living upgrades for FREE*, such as a spacious deck or paver patio, a fire pit, an outdoor kitchen, or landscaping enhancements and so much more. Now is the time to complete the dream — create a backyard oasis that is ready to use upon moving in with installation and warranty provided.

“Toll Brothers is financially strong and stable and we are positioned well with the ability to provide programs like this to cater to the buyer’s market,” stated Anthony Rocco, Division Sr. Vice President of Toll Brothers’ New Jersey Division. “Right now, smart buyers are reaping the rewards; there has never been a better time to buy new construction. For anyone debating between buying a new or used home, this offer makes that decision easy,” said Rocco.

Buyers ready to make a move should take a look at Toll Brothers’ participating communities throughout New Jersey and northeast Pennsylvania which offer single-family residences, townhomes, and condominiums that are base-priced from the low \$200,000s to the low \$800,000s.

In addition to this spectacular event, Toll Brothers offers several programs to help potential buyers sell their current home including home staging services, extended build times, as well as attractive mortgage programs through their in-house mortgage company, TBI Mortgage.
