**June 25, 2009** - [PRLog](#) -- Experience Tybee's most loved attraction.

The Tybrisa Pier and Pavilion was built in 1891. It's open dance floor and opportunities for fishing and people watching made it a favorite for visitors since its erection and a legendary "Big Band" tour spot for close to five decades. A fire destroyed the original pier in 1967. The Tybrisa Pavilion II was dedicated almost thirty years later in August of 1996.

Today the Tybrisa Pier and Pavilion is still a hot spot for Tybee visitors. The pavilion houses picnic tables, snack bars and restrooms and can be rented out for events such as weddings or family reunions. Concerts are also often held here. Currently the Tybrisa Pier and Pavilion is the backdrop for the filming of Miley Cyrus's new movie.

SkyRun Condos on Tybrisa Street puts you in the center of the action.

The Sea & Breeze Beach Club is located on Tybrisa Street, a short walk away from the Tybrisa Pier and Pavilion. It also offers one of Tybee's largest swimming pools. The SkyRun Condos at The Sea and Breeze Beach Club are uniquely decorated and offer plenty of amenities. Make SkyRun Condos on Tybee Island at The Sea & Breeze Beach Club your vacation destination.

The NEWLY RENOVATED Sea and Breeze Beach Club is located in the center of all the action on Tybee Island. Restaurants, pubs, shops, Tybee's only pier, and the beach are only footsteps from the newest condo-tel on the island. The exterior of the building has been completely remodeled and all our rooms have been remodeled as well. Each room is now individually owned by private investors and all rooms have been upgraded!
