

Advanced Investigative Technologies, LLC launches new website and begins new services

Advanced Investigative Technologies, LLC is a leader in the investigative industry and launches new website. Managing Partners believe that lack of money should not be a deciding factor in hiring a private investigator.

July 17, 2009 - [PRLog](#) -- Advanced Investigative Technologies, LLC, under the direction of Managing Partners Kirk R Menard and Terry L Lacombe has launched its new website. The website is <http://www.ait-la.com>.

Mr. Menard and Mr. Lacombe announce today that it will begin offering its diversified services in Louisiana, Texas and Mississippi. Those services consists of service of process, family law including divorce, infidelity, adultery, child custody, child abuse, asset location, employment history, criminal defense such as murder, DWI, kidnapping, forgery, and a host of other criminal defense charges, repossessions, insurance fraud including worker's compensation, accident reconstruction, oilfield based safety and accident prevention onshore and offshore, expert witnesses for environmental and maritime accidents under the Longshoremen's Act and the Jones Act, countersurveillance to determine if a residence or business is or has been wiretapped, sales and installation of security monitoring systems including closed circuit television, executive protection, loss prevention for retail outlets, plaintiff cases for personal injury, plaintiff cases in civil rights issues, environmental issues, and discrimination issues, and any other case from the simplest to the most complex.

Mr. Menard and Mr. Lacombe state that lack of money should not be a deciding factor in determining whether or not to hire the services of private investigators. Advanced Investigative Services, LLC accepts major credit cards as payment and can also work out payment plans for those with income but cannot meet the retainer. Mr. Menard and Mr. Lacombe also state that those with limited income, arrangements can be worked out based on their income. "We want everyone to have access to our services" says Mr. Menard. We can assist those that cannot assist themselves in a case where factual gathering of information and evidence is imperative. We are a leader in the investigative industry and believe we have the best trained investigators and security consultants in the United States. Our clients are very satisfied with the services we provide and we will continue to be a client-oriented, result-oriented agency that can offer many diversified services to the general public, business and corporations, and the government. We're there when you need us, 24 hours a day, 7 days a week. Our motto says it all "Premium Service****Practical Fees and all you have to do is call and you will see what we mean, says the managing partners.
