Toll Brothers' National Summer Sales Event to Offer Significant Savings and Incentives at Hampton Hall and Hampton Pointe Near Hilton Head, South Carolina

July 22, 2009 - [PRLog](#) -- Toll Brothers, the nation's leading builder of luxury homes, invites prospective home buyers to attend its National Summer Sales Event, which will be held at Hampton Hall and Hampton Pointe near Hilton Head from July 25th through August 16th. The events will offer a combination of opportunities to maximize your investment as well as create additional value through limited-time incentives. In addition, TBI Mortgage, Inc., a subsidiary of Toll Brothers, is offering an excellent selection of mortgage programs, including a wide variety of fixed and adjustable rate mortgages. Home buyers should visit or call their community of interest to learn about specific details.

"These events will offer home buyers the chance to capitalize on the best of the buyer's market before it rebounds," said Walt Schwartz, South Carolina Division President. "I think people will be absolutely amazed by the savings as well as some very desirable high-end options that would otherwise cost thousands of dollars," he added. Toll Brothers is already well known for its unparalleled list of included features that many builders consider upgrades.

With the low mortgage rates that are still available, this is a fabulous opportunity to add significant value to a home purchase. In addition to the amazing savings, as well as the high quality, luxury, and style of a Toll Brothers home, buyers will have the peace of mind that comes with choosing the nation's most financially sound builder.

In fact, Toll Brothers was voted #1 among home builders in Quality of Products and Services, Quality of Management, Financial Soundness, Long-term Investment, and Use of Corporate Assets in Fortune magazine's World's Most Admired Companies 2009. "We know that Toll Brothers' continued appeal despite the current market is due to our excellent reputation and our financial strength and stability," said Schwartz. "While it's true that buyers are looking for great deals right now, they also want to know that their builder is here to stay," he added.

Both Hampton Hall and Hampton Pointe are located minutes from Hilton Head, Savannah, and Beaufort and offers a wealth of on-site amenities and award-winning home designs. Models are open Monday-Friday from 11-6 and on Saturday and Sunday from 10-6. A sales professional can be reached every day at (843)208-9000.
