OUTWATER PLASTICS INDUSTRIES + ARCHITECTURAL PRODUCTS BY OUTWATER, Bogota, NJ (www.outwater.com) August 12, 2009 -- Unrivaled in realism, this is not your typical laminated slatwall!

In addition to its other numerous Slatwall Products and related accessories already offered, Outwater Plastics introduces its high profiled 3 dimensional Slat Text Slatwall Panels, a must have item where order and efficiency are beneficial.

Designed as a one of a kind innovation specifically intended for the display market, Outwater's Slat Text Slatwall Panels enable store designers and visual merchandisers to cost-effectively and easily transform mundane merchandise setups into a variety of exciting themed environments.

Comprising a tough, impact and fade resistant polymer plastic surface fused to an mdf backing sheet, Outwater's 4-ft x 8-ft Slat Text Slatwall Panels provide complete design flexibility and refinement while a variety of standard and custom colors allow for integral adaptability with preexisting interiors.

Having successfully combined beauty and versatility with strength and durability, Outwater's Slat Text Slatwall Panels are engineered with 6-inch groove spacings that have been reinforced with paint matched aluminum inserts for use in all types of applications with industry standard slatwall shelving and fixtures.

Product Features in Summary:

1. Outwater's Slat Text Slatwall Panels comprise a tough, impact and fade resistant polymer plastic surface fused to an mdf backing.
2. Outwater's Slat Text Slatwall Panels feature a high profiled 3 dimensional surface.
3. Outwater's Slat Text Slatwall Panels are offered with a variety of themed textures.
4. Outwater's Slat Text Slatwall Panels are available in 9 different color schemes.
5. Outwater's Slat Text Slatwall Panels are easy to install and expand as required.

6. Outwater's Slat Text Slatwall Panels are engineered with 6-inch groove spacings that have been reinforced with paint matched aluminum inserts.
7. Outwater's Slat Text Slatwall Panels are available in custom colors.
8. Outwater's Slat Text Slatwall Panels are offered in 4-ft x 8-ft sheets with 7 rows of slats per sheet.
9. Outwater's Slat Text Slatwall Panels can be used in all types of applications with industry standard slatwall shelving, and fixtures.
