TOLL BROTHERS' LUXURIOUS COVENTRY MANOR MODEL HOME IN SUSSEX COUNTY NOW FOR SALE

Toll Brothers, the nation's leading builder of luxury homes, is offering their Rolling Hills Estates model home for sale. Located in scenic Wantage, New Jersey, this magnificent Coventry Manor includes numerous aesthetic and structural options that are both indulgent and functional.

The Coventry is perfectly situated on an expansive home site and offers 5,000 square feet of luxury living space. The sophisticated design of the home is apparent upon entering the home. Formal living and dining rooms flank the grand two-story foyer, which features a dramatic ceramic tile floor and a curved oak staircase, and is accented by exquisite moldings and stately columns. These columns also separate the foyer from the expanded sunken family room which features voluminous windows, a stone fireplace, and an open beam ceiling. A hallway with a wet bar leads to a private study.

Adjacent to the family room is the Potomac kitchen. "This fabulous kitchen is a Toll Brothers Design Studio exclusive package and includes beautifully crafted cabinets, granite countertops, and a spacious separate breakfast area, and leads to a full outdoor deck," said Jim Majewski, Division Senior Vice President. "It is a fantastic space for entertaining." The secondary private staircase appeals to today's busy, on-the-go families. The conservatory addition provides an air of elegance with its wall of windows while allowing ample space for a billiard table or grand piano. A patio door leads to a second outdoor deck. A generous-sized playroom, located above the conservatory, is a perfect spot for rainy day playtime. A large vestibule with a secondary entrance, ample laundry room, large guest coat closet, and powder room complete the first floor. Also included is a 3-car garage.

Upstairs, a sprawling master bedroom suite with a large tray ceiling, rich crown molding, and a comfortable sitting area is a restful retreat after a long day's work. This alternate design boasts two walk-in closets. The luxurious master bath features a Jacuzzi® whirlpool tub, large dual vanities, and a remote-controlled skylight. The second floor also features 3 well-appointed, sizable secondary bedrooms, each with its own private bath. Also included is a 3-car garage and a light-filled walk-out basement opening to a beautiful paver patio. The Coventry Manor model is exceptionally priced at \$759,995.

Nestled in the rolling hills of beautiful Frankford Township, the community boasts a convenient location on Route 284 just minutes from Route 23 and convenient to both I-80 and I-287. Residents of Rolling Hills Estates enjoy spectacular mountain vistas and close proximity to New Jersey's best golf courses and ski resorts.
