**Aug. 20, 2009** - [PRLog](#) -- No home décor would be complete without a beautiful area rug on the floor to accent the room. Besides having an area rug to beautify the room's appearance, area rugs can also provide warmth. Most area rugs are used over wooden floors, tile floors and other surfaces. Area rugs come in an abundant of color, ranging from very soft color tones to bold color schemes.

Area rug comes in many different style, feel and looks. Many area rugs styles are Orientals, Persian, country French, floral, Aubusson and many others. Area rugs prices can range from couple hundred dollars to thousands of dollars depending on the style of the rug, how it was made? What family created the rug? Area rugs can be hand-knotted rugs, hand-tufted rugs or machine made rugs.

Today, <http://www.depotexpo.com/AREA-RUG.html> will explain the difference between hand-knotted rugs, hand-tufted rugs and machine rugs. Area rugs come in traditional styles, contemporary styles, casual style rugs, southwestern rugs; area rugs also come in an Eco-friendly style rug. Your choices are endless when it comes to selecting an area rug.

### **Hand-Knotted Area Rug**

Hand-knotted area rugs can be very luxurious. They are one of a kind hand made rugs. Because of the way the weaver tied each knot in the area rug, no two rugs are alike. We have hand knotted rugs in traditional and contemporary rugs with a variety of sizes, shapes and color.

### **Hand-Hooked Area Rug**

Beautify your home's decor with an exquisite hand-hooked accent rug. Hand-hooked rugs are generally crafted using smaller needles for fine petite-point hooking. Hand-hooked rugs are also less expensive than hand-knotted rugs.

### **Hand-Tufted Area Rug**

A hand-tufted rug gives you the look and feel of a hand-knotted rug without spending a great deal of money. Hand-tufted wool rugs are handmade using a tufted gun and do not contain individual knots.

### **Machine Made Area Rug**

Machine made rugs are made on a machine compare to a hand made rug. Machine made rugs take less time to produce whereas a hand-knotted rug can take several months to create. Machine made rugs can be very elegant. They are also very durable.

### **Braided Area Rug**

Braided area rugs have been very popular style rugs. They are the perfect rug to create warmth in your room and can be suited for a traditional home or a modern home; they are hard-wearing and well constructed. Braided area rugs are easy to take care of.

Don't forget to purchase a rug pad to go with your area rug. A rug pad will provide a solid foundation to keep your rug looking new. A rug pad will also bring comfort and cushion to your rugs, but they'll also add durability to make them last longer. A rug pad work by reducing the wrinkles and slippage of your area rug, which also makes it easier to vacuum. For further information check out
