

Pensacola automobile dealer Rob Bacon stands up to the banks demanding financing for his customers!

Rob Bacon of Ticket 2 Drive in Pensacola Florida has had enough of this recession and has personally guaranteed financing for his customers regardless of their past credit! A bold statement in this day and time!

Sept. 26, 2009 - [PRLog](#) -- Rob Bacon says " The American public has a hunger for more affordable transportation and we are serving up a full helping of more value for the money. Todays buyer is smarter and more cautious than before due to the recession. I offer financing for everyone regardless of their past credit situation because everyone deserves an equal shot at getting the vehicle they really want. I don't care if you had a repossession yesterday for I can still guarantee financing. All of our finance sources report to a credit bureau so it is most certainly not lot financing. I have asked our finance sources to "step up to the plate and start swinging!" I say your neighbor or family member has the vehicle he or she wants and you deserve that too. We work too hard for our money! Rob Bacon has over twenty years experience of subprime financing and also offers his "Smiley Guarantee" which allows the consumer to exchange their purchase within 72 hours if not fully satisfied which makes purchasing a vehicle at Ticket 2 Drive pressure free. Roberts ideas are innovative and his website ticket2drive.net offers 27 pictures and a three minute video fo each vehicle he carries. How refreshing in a subprime economy.
