

MMD Equipment appoints National Sales Manager, Generator Division

MMD Equipment, the national distributor for PowerPro diesel generators and based out of Swedesboro, NJ, appoints Mr. Stew Bryan as their National Sales Manager of the generator division.

Oct. 2, 2009 - [PRLog](#) -- MMD Equipment announced today that Stew Bryan has been appointed as their National Sales Manager, Generator Division. In the newly created position, Stew Bryan will be responsible for developing and managing MMD Equipment's entire sales effort for their PowerPro line of generators. Stew will be working in conjunction with manufacturer representatives, as well as, working directly with new and existing customers.

Stew brings over 27 years of generator knowledge and expertise to the rental, construction, communications and commercial industries, governmental agencies, data centers and emergency response organizations. As a prior employee of Mitsui Machinery Distribution, Inc., the former parent company of MMD Equipment, Mr. Bryan managed the west coast sales for the same line of PowerPro generators and will now be aiding the sales, training, and technical support nationwide. Stew will also now be reporting directly to Mr. Paul Daly, President of MMD Equipment.

To contact Stew Bryan with any diesel powered generator questions, bid requests or sales inquiries please use his email: stew.bryan@mmdequipment.com or contact MMD Equipment at 1-800-433-1382.

MMD Equipment distributes superior quality construction related products, parts and trailers to the North American and Caribbean markets. For over 33 years, they have served as a valuable resource for the equipment rental industry.
