Nov. 12, 2009 - [PRLog](#) -- Pandawill, a new blood electronic E-commerce trade company in China, unveiled the first **Qwerty Keypad &VGA Flat Touch Screen** cell phone DA PENG T2000 in the fourth quarter of this year. After more than two months trial sale in United States, 60% users had completely been conquered by the unique design, splendid practicality and competitive price of DA PENG T2000.

The DA PENG T2000 is a compact , human design cell phone equipped with a 3.2-inch full-touch screen with a VGA(640×480 pixels) resolution capable of displaying up to 256K colors, supporting Bluetooth V2.0 , 0.3MP cameras with autofocus and GPRS network . The amount of the internal memory of 72MB, a bit, but it can be expanded to microSD card (supports cards up to 8GB).

The size and weight of DA PENG T2000 are 120×72×23mm and 90 grams respectively. The **external Qwerty keypad** provide users much more convenient and productive message sending experiences. What a little disappointed is that it only supports SMS& MMS message sending at present. But it seems that the manufacturer never intends to let users down. So, a series of multimedia features have been added to this unit including video capture (3GP/MPEG4 format), MP3 / MP4 music player, FM tuner with RDS , TV , E-book, and JAVA. And its connection is also available with Wi-Fi . Find more details at: <http://www.pandawill.com/da-peng-t2000-quad-band-dual-car...>

Other notable features of DA PENG T2000 are its long time Stand-by and **multi-language** supporting. User could enjoy up to 4 hours talktime and more than 400 hours standby mode. The operation system support more than 8 national languages at present to meet the needs of users from different countries, such as English, French, Spanish, Persian, Portuguese, Italian, German, Russian, Arabic.
