

God`s Ark Of Safety Model Now Ready For Display, a Replica of Noah`s Ark, built by Den Model Ships

Www.densmodelships.com is pleased to announce their newest scaled model its a replica of Noah`s Ark. The Ark is now being built in Frostburg Maryland called God`s Ark Of Safety, on Interstate 68.

Nov. 20, 2009 - [PRLog](#) -- Dens Model Ships has built an exquisite accurate scaled model of the God`s Ark Of Safety, it is displayed in a diorama setting showing what the actual site will look like when the church is finished. The model, and diorama was built to scale by the actual building plans.

The God`s Ark model was made to come apart in sections, by each floor, each floor displays the actual floor plans showing the walls, door ways, and scaled people inside the Ark. The model is now displayed at the church in Frostburg Maryland. The anointing of God is already on the model because it is touching the hearts and lives of people in the congregation as well as visitors who have seen it.

While the main purpose of the Ark is to reach lost souls for the Kingdom of God. When God gave the Vision to Pastor Greene, He revealed that people from around the world would help with their talents, materials, and finances. The model was given to the church to show their visitors and people from around the world what the site will look like when its completed, and to get people involved to get the church finished.

God`s instructions were to rebuild this modern-day Noah`s Ark as a sign to the world of His love and the soon return of Jesus. The God`s Ark Of Safety is being used as a tool to get the attention of people who need to be reminded that God loves them and cares about their spiritual state. It is also being built as a warning of the second coming of Jesus Christ. (Matthew 24: 37-39)

The God`s Ark Of Safety website is www.godsark.org For detailed photos of the model visit www.densmodelships.com/18.html (If you would like to help the God`s Ark, or make a finacial contribution to this project) visit, www.godsark.org/How_Can_I_Help_Home.html
