Tips To Earn Cafe Cash And Coins For Free!

* Food Selection: It is extremely important to choose the right food in Cafe World. You should do proper planning before selecting any particular dish because these foods can easily get spoiled if you don't serve them on time. One should cook meals that take less time for earning more cafe cash and coins. Eventually, you earn lots of points that can easily boost your level. Performing regular cooking, cleaning and buying can increase your buzz ratings. These ratings generally reflect the number of visitors coming to your restaurant.

* Visit your neighbors: Cafe world is a social game hence the importance of neighbors is extremely important. In order to earn more coins and cash, you should visit your neighbor's restaurant more frequently. There will be an unbelievable rise in your daily bonus by helping your neighbors.

* ROI (Return On Investment): You should preferably select your menu with higher ROI for increasing your profit. You can easily calculate ROI by subtracting cost of the dish from your profit that should be then divided by the cost of the dish.
