Secret Hints to Make Tons of Food Points

* You can easily stockpile food points by cooking varieties of food items. You shouldn't cook only high-level food items in all your stoves. You should cook high and low level dishes simultaneously for making tons of food points.

* Making neighbors is a viable alternative for earning food points. You should frequently visit your neighbors. You can easily get free EXP and coins for having more neighbors. You should at least visit 20 neighbors daily for earning 100 points.

* An effective cooking schedule can also increase your food points as well as it will never allow your foods to spoil. You should know your Internet usage time for planning your game properly. If you are a heavy net user than you should preferably cook meals that takes less time. You should cook food items like Bacon Cheeseburger, chips or Guacamole otherwise you can cook Spitfire Roasted Chicken or Home-style Pot Roast.
