Famous Louis Vuitton Handbags That Are Made of Different Materials

Louis Vuitton is a world famous handbag brand, every handbag series that Louis Vuitton has released is also classic and enduring. Today, i will introduce five Louis Vuitton handbag series that are made of different materials.

Dec. 30, 2009 - *PRLog* -- Louis Vuitton is a world famous handbag brand, every handbag series that Louis Vuitton has released is also classic and enduring. Today, i will introduce five Louis Vuitton handbag series that are made of different materials. Each of them is Monogram canvas, Damier canvas, Suhali, EPI leather and Mahina.

Louis Vuitton Damier Handbag

Louis Vuitton 's Damier pattern was created in 1888, it has always been popular over these years, its simple but elegant style is very classic, seemingly we are more likely to call Damier pattern as LV chessboard grid. From 1996 until now, Louis Vuitton has released its complete Damier handbags, which include Damier canvas fashionable handbag, travelling bag and small leather goods. Not only Damier canvas is suitable for making artful feminine bag models, neutral and casual models made of Damier canvas are also elegant and generous.

Louis Vuitton Epi Leather Handbag

Louis Vuitton Epi leather 'design takes its inspiration from the leather texture used for Louis Vuitton in the 1920s. The leather is tanning made from plant juices, and then through the stain. Epi leather emits two kinds of bright and unique colours, which make the handbag unique sense of beauty. Epi leather is also waterproof and scratch-resistant. All Louis Vuitton goods made of Epi leather are elegant, for example, the LV luggage, travel accessories, urban fahionable handbags, and small leather goods.

Louis Vuitton Mahina Calf Handbag

Louis Vuitton handbags have a high degree of recognition, but in 2008, Louis Vuitton released a new style laser punching bag – Mahina, it is a low-key and elegant handbag, but is very welcomed by many popular actress, including Sarah Jessica Parker, Cameron Diaz, Madonna. Louis Vuitton Mahina handbags are soft and comfortable, they have a first-class touch and present Monogram pattern with exquisite perforation technology. This soft calf canvas is processed by deep dyeing, it can retain its natural appearance and will show patina sheen after long period of time.

Louis Vuitton Classic Monogram Canvas Handbag

Louis Vuitton 's Monogram canvas has been a symbol of quality from 1896 until now. Monogram canvas handbag has a light weight, and is soft and firm. Monogram canvas is fully waterproof, and has a high degree of anti-scratched performance, it is very suitable for these people who travel frequently and enjoy the modern fashionable lifestyle. Monogram Vernis, Monogram Denim, Monogram Mini Lin and Monogram Multicolore are all the series of Monogram, it can meets people 's different needs. Besides, the well-known white three-color and black three-color also belong to Monogram series.

Louis Vuitton Suhali Goat Leather Handbag

Suhali is made of rare and precious goat leather. Suhali is soft and tough, coupled with sober tones, it is

more refined and elegant. Because it is made of the natural leather, its inherent non-uniform texture makes the handbag 's leather more exquisite and beautiful. Louis Vuitton Suhali 's strong shape and the classic golden lock make it very suitable for OL.
