Jan. 30, 2010 - [PRLog](#) -- Table Pads Custom is the leading table protection company, specializing in the custom creation of table pads and table pad products for dining room tables, conference tables, kitchen tables, dining table extender, buffet servers and much more. Our unmatched design expertise combined with our patent technology enables us to make the world's finest custom table pad and table pad products for the home and office. Our passion to protect tables and furniture defines our company credo: to offer the highest quality in customer service and to custom create the highest quality of table and furniture protection on the market. We create table pads and table pad products for homes, offices, fortune 500 companies, movie sets, TV sets, government agencies, catering halls, restaurants, as well as universities and trade shows. We have also made table pads for famous public figures, including former Presidents.

All of our table pads come with a lifetime warranty, as we proudly stand by our products. Our table pads are made with a fiberboard inner core, and MagnaLoc, our patented magnetic locking system defined by an invisible magnetic field, which efficiently lock pads to ensure effortless protection and stylish design. Table pads are custom made to fit any shape, decor and size. Our table pads are available in 25 beautiful vinyl colors and 5 velvet backings, and can be made for round tables, square tables, oval tables, rectangular tables, as well as any custom shape table or unique shape furniture. Our table pads are made to fit your exact table/furniture, your decor and design, as well as your lifestyle.

Our expertise in table pad and furniture protection extends beyond just table pads and into table pad accessories as well. In addition to table pads, we offer a full suite of table and furniture protection related products, including wood leaf storage bags, table pad storage bags, table and furniture polish, placemats, table paddies (mini table pads), and any other custom made table/furniture product for your home or office, to fit your specific protection need. If you do not see a product you are looking for, let us know and we can create it especially for you.

Our products are offered at wholesale prices to the public. Our price guarantee is as follows. We guarantee to have the best prices for table pads and table pad accessories (for the same or similar quality) compared to any competitor out there. We offer a price match guarantee, if our price is not the lowest online website we will meet or beat any competitors price for a similar product.

You can order online via our secure website or over the phone with one of our experts. We also offer in home measuring services in New York, Florida, and Connecticut.

Table pads and table pad products are a smart investment, as they protect your table and furniture from heat (up to 600 degrees), scratches, spills, dents, moisture and other damage. As the world's finest table pads company, table pad store and expert table pads manufacturer, we look forward to creating your custom table pad.
