DrShreya.com Launches Online Homeopathic Help at Reduced Rates for Patients worldwide!

To add a touch of all-encompassing care, Dr Shreya has now slashed the prices of her homeopathic consultation services and has made the service more affordable to all classes of the society.

Feb. 1, 2010 - *PRLog* -- Gone are the days of timeless waiting outside a doctor's office. With the online consultation services like drshreya.com, patients worldwide can now seek homeopathic medicines right from the comforts of their home at the most affordable rates!

Belgaum, India, Feb 01, 2010— After the start of global consultation services two years back, drshreya.com has reached a reputation of quality homeopathic services. Within a short span, the services are extended to more than sixty countries. To add a touch of all-encompassing care, Dr Shreya has now slashed the prices of her homeopathic consultation services and has made the service more affordable to all classes of the society.

Certainly homeopathic mode of therapy is one of the most affordable therapies among the hugely popular ones. Today many people turn to homeopathic treatment for acute as well as chronic maladies. But searching for a right homeopath is difficult at times and in case of homeopathy, if the results are not positive, it is the fault of homeopath and not homeopathy. But with the introduction of quality services at drshreya.com, many patients have found their family doctor. The testimonials in the site are the evidences.

As says Dr Shreya, "Our aim is to help people get rid of nasty troubles with homeopathic mode of therapy. Homeopathy is the best suited treatment for any problem ranging from common cold to arthritis, and it is through homeopathy, we can actually learn the psychosomatic nature of diseases."

For any problems, patients can mail to get immediate response within 24 hours. Even if the patients need just an answer to their health query, they can post their queries in front of the doctor and seek answer absolutely free of cost! Along with the treatment sought, if the case demands need of counseling, it is also freely available at the site through online chat help.
