

Irving Sarreal of Interactive Web Solutions Launches Tallahassee Board of REALTORS® Website

PASADENA, CA – With website design and development expertise from Interactive Web Solutions, Tallahassee Board of REALTORS® recently launch their new redesign website with more functionality and features for their organization and members.

Feb. 18, 2010 - [PRLog](#) -- Website Development Company Wins Bid to Re-Design and launch Tallahassee Board of REALTORS® Website

PASADENA, CA – With website design and development expertise from Interactive Web Solutions, Tallahassee Board of REALTORS® recently launch their new redesign website with more functionality and features for their organization and members. Serving their members and community since 1935, the purpose of the Tallahassee Board of REALTORS® is to preserve and extend the right to own, use and transfer real property and to serve its members by providing and promoting programs and services which will enhance members' skills and ability to operate their business profitably and ethically.

A full-scale and full-service interactive company that provide website and ecommerce design and development, search engine marketing, and web based custom application development services, Interactive Web Solutions won the bid to re-design and launch the Tallahassee Board of REALTORS® website www.tbrnet.org.

“Our proven website design and development process has ensured the successful completion of over 300+ websites of small and medium size businesses in the past eight years, including Tallahassee Board of REALTORS®,” said Irving Sarreal, president of Interactive Web Solutions. Having worked with divisions and branches of Fortune 500 companies and advertisement agencies we have the deep experience to help empower your online digital business.

“Our company philosophy is that our role is to be a trusted strategic advisor for our clients,” said Irving Sarreal, whose Interactive Web Solutions team is composed of seasoned technology and web development professionals with Fortune 500 experience that is passionate about the success of its clients’ online endeavors.

“Understanding and taking into consideration our clients’ immediate and future needs, we partner with our clients and align their objectives with our solutions that address their needs, being as flexible in the process as appropriate,” said Irving Sarreal of IWS.
