**Feb. 22, 2010** - [PRLog](#) -- Radio Shack Emergency Phone Dialer | Radio Shack | Medical Alarm | Medical Alert

Loved by millions, the Radio Shack Emergency Phone dialer is still AVAILABLE. Plus, we have added some new options that were not available when Radio Shack sold this emergency dialer.

Radio Shack sold thousands of these systems, they no longer sell them but WE DO. One of the most successful and popular home alert systems ever. At a GREAT PRICE !

But we have added something that Radio Shack did not have ... Remote Wireless Panic Buttons.

Personal Assistance Voice Dialer with Wireless Heart Pendant and 5 Wireless Panic Buttons.

The easiest way to keep your independence!

The easiest way to call for help - just push a button!

Press heart pendant and help is on the way!

Instantly calls up to 4 people & plays message.

Person called can directly "listen-in" to the distress.

Never pay a monitoring fee! No Monthly Fees

Heart Pendant is waterproof - wear it in the shower !

New with 1 Year Warranty

NO MONTHLY FEES - Buy it and OWN it forever and never pay another cent.

Customer Reviews:

"Thank you, and may God bless. Technology awes me and I, too, hate to see people who need this helpful monitor to live safely at home alone. I'm certain I will be ordering another one very soon for my aunt. Later I may be able to donate a monitor to someone else as I am with my family members. Being a caregiver has it's blessings....just as what you sell blesses so many." B. Davis
