May 9, 2010 - [PRLog](#) -- Chicago Psychic Reader, Edward Shanahan returns to the stage at Cigars and Stripes on Thursday May 27th from 7pm to midnight on the night of the full moon, to entertain with his 'Readings in the Round'.

He will also be talking about the paranormal, asking those attending about their own paranormal experience. That will be an open microphone discussion from the stage so that all can enjoy and participate.

As always at Cigars and Stripes, there are no set fees for a reading by Edward Shanahan, just a gift offering of the person's choice. The person being read on stage, has the choice of it being private or open. Shanahan does not do negative open readings as they are meant to entertain. He has been doing Readings in the Round and private readings at house parties and in public since 2003.

**Cigars and Stripes is located at:
6715 W. Ogden Ave, Berwyn, IL**

The type of readings Edward Shanahan will do are: Palm readings, Psychometry One on One and Conscious Channeling Psychometry, this is when he attempts to contact a love one who has passed away. The individual will need to bring an item like a ring, watch, reading glasses etc. items the love one wore and picked up their energy, as that is what Shanahan attempts to tap in to.
