

Monster Water Slide in North Georgia

Ellijay, Georgia now has the tallest inflatable water slide in the world! Located at the Coosawattee River Resort, the Monster Water Slide is a monstrosity and super summer screaming fun!

May 20, 2010 - [PRLog](#) -- Want a wet and wild exhilaration this summer? Want to have bragging rights about sliding down the tallest inflatable water slide in the world? Want a place to have some plain-ole-fun in the summertime? Well, the Coosawattee River Resort in Ellijay, Georgia has just what you are looking for!

The Monster Water Slide isn't your ordinary, run-of-the-mill water slide. The slide towers 45 feet above the ground with 41 steps that lead up a steep incline to a lofty platform covered by a canopy. Blue Sky Slides bills the monstrosity as the tallest inflatable water slide in the world. The company is even trying to get Guinness World Records to verify this claim!

Located next to The General Store and just outside the Eagle Mountain Gate of the Coosawattee River Resort, the slide is open 7 days a week from Memorial weekend until Labor Day. Operation times are from 10am until 7pm. The cost is \$10.00 for an all-day-pass, which riders may go down as many times as they want. Participants must be 5 years old and 48" tall. Exhilarating, bragging rights, or plain-ole-fun ... you be the judge!

And while you're at The General Store, take a tubing or kayaking trip! Trip times are 10:00 a.m., 11:00 a.m., 12:00 p.m., and 1:30 p.m. While walk-ins are accepted, calling The General Store at (706) 635-1609 is strongly suggested for reservations as trips are limited and book-up quickly. The General Store also features "Pickin' on the Porch" on the 2nd and 4th Saturday night of each month (weather permitting), with a variety of local entertainment and music from Gospel to Bluegrass to Old-Time Rock 'n' Roll. Bring your own lawn chair, pull up your seat next to the bon-fire, and roast some marshmallows while enjoying the entertainment and mountain ambiance!
