Powers, with corporate headquarters located in Clarksville, Arkansas has announced its plans of expanding Satellite Sales Inc. nationwide. In an industry first, Satellite Sales Inc. obtains new customer installations for Dish Network and Direct TV Retailers Nationwide. Matt Martin quotes to a local news source: We see an opportunity to help Dish Network and Direct TV retailers nationwide increase sales and profits while maintaining increasing profit margins year after year. If our company can save a retailer from going out of business and we can increase our profit margins at the same time then we feel it's a win-win situation for both companies.
